

# THINGS TO DO IN COLD WEATHER

*cultivating magic in nature*

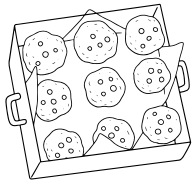

## Snow Art

Mix food coloring with water in spray bottles and create art on the snow.

## Bake Together

Prepare cookies, breads, or pies in the warmth of the kitchen.

## Make Frozen Bubbles

Blow bubbles outside and watch them freeze in the cold.

Observe the patterns and colors as they crystallize.

## Hot Cocoa Picnic

Bring a thermos of hot cocoa and snacks to enjoy outside.

Sit by a fire pit or on a blanket in the snow.

## Try Winter Science

### Experiments

Toss boiling water into the air to watch it instantly freeze (in very cold weather).

Create frost on a can by filling it with ice and salt.

## Frozen Ice Ornaments

Fill a pan with water, add berries or leaves, and freeze with a string loop.

Hang them on trees as colorful outdoor decorations.

## Warm Drinks Tasting

Make a variety of hot drinks like cider, tea, or different cocoa flavors.

Rate and enjoy them together.

## Host a Cozy Family

### Game Night

Play board games, card games, or puzzles by candlelight.
